INDEPENDENT AUDITOR'S REPORT

To
The Members of
M/s Western India Transport Finance Company Private Limited

Report on the Financial Statements

We have audited the accompanying financial statements of M/s Western India Transport Finance Company Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2016, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles, generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards, and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

For Western India Transport Finance Co. Pvt. Ltd.

16A, SHAKESPEARE SABON, KOLKATA - 700071 PHONE : 2282-6776/6809/6807, FAX : 2282-5921

Website : www.rkothari.in , Web-email : kolkata@rkothari.in

Director

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the company's management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence, we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

(a) In the case of Balance Sheet of the **state of affairs** of the Company as at 31st March 2016;

(b) In the case of Statement of Profit and Loss, of the **Profit** of the Company for the year ended on that date; *and*

(c) In the case of Cash Flow Statement, of the **cash flows** of the Company for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies(Auditors Report) Order, 2016 ('the order') issued by the Central Government of India in terms of subsection (11) of the section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of written representations received from the directors as on 31st March 2016, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2016, from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact on financial position in its financial statements ;
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred by the Company to the Investor Education and Protection Fund.

Annexure to the Independent Auditor's Report (referred to in our report of even date)

The Annexure referred to in Independent Auditor's report to the members of the company on financial statements for the year ended 31st March, 2016, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets
- (b) The Fixed Assets of the Company have been physically verified by the management during the year at reasonable intervals and no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company does not hold any immovable properties.
- (ii) The company does not hold any physical inventories. Hence, reporting under paragraph 3(ii) of the said order is not applicable to the company.
- (iii) The Company has not granted any loan secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Thus, reporting under paragraph 3(iii) of the said order is not applicable.
- (iv) In our opinion and according to the information and explanation given to us, the Company has neither granted any loan nor made any investment under section 185 and 186 of Companies act, 2013. Thus, reporting under paragraph 3(iv) of the said order is not applicable to the Company.
- (v) The Company has not accepted any deposits from the public during the current financial year. Thus, reporting under paragraph 3(v) of the said order is not applicable to the Company.
- (vi) The Central Government has not prescribed the maintenance of the Cost records under section 148(1) of the Companies Act, 2013. Hence, reporting under paragraph 3(vi) of the said order is not applicable.
- (vii) (a) According to the information and explanations given to us and on the basis of our examinations of the records of the company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Income Tax and other material statutory dues have been regularly deposited during the year by the company with the appropriate authorities.
- (b) According to the information and explanations given to us, there are no dues of Income Tax and other material statutory dues which have not been deposited as on 31st March, 2016 with the appropriate authorities on account of any dispute.

2

- (viii) Based on our audit procedures and on the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of loans or borrowings from any financial institution, bank, government, or debenture holders during the year.
- (ix) According to the information and explanations given to us, there were no moneys raised by way of initial public offer or further public offer or term loans by the company.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) The company is a Private Limited Company and hence the provisions of section 197 read with Schedule V of the Act do not apply to the company. Thus reporting under paragraph 3(xi) of the said order is not applicable.
- (xii) According to the information and explanations provided to us, the company is not a Nidhi Company as defined under section 406 of Companies Act, 2013.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with Section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has made preferential allotment of shares during the year and has complied with the requirements of Section 42 of the Companies Act, 2013.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.

(xvi) According to the information and explanations provided to us and based on our examination of the records of the Company, the Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and such registration has been obtained.

Annexure - B to the Auditors' Report**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **M/s Western India Transport Finance Company Private Limited** ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Corporate Information

Western India Transport Finance Company Private Ltd. (the Company) is a Company domiciled in India and incorporated under the provisions of the Companies Act, 1956 and consequently is registered as a Non-Banking Financial Institution (non-deposit taking) with Reserve Bank of India (RBI). The Company provides finance for commercial vehicles.

2. Significant Accounting policies

A. Basis for Preparation of Accounts:

The financial statements have been prepared in accordance with the Indian Generally Accepted Accounting Principles (IGAAP) under the historical cost convention as a going concern and on accrual basis and in accordance with the provisions of the Companies Act, 2013 and to comply with the Accounting Standards notified under Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules 2014. The accounting policies adopted in the presentation of the financial statements are consistent with those followed in the previous year.

All assets & liabilities have been classified as current & non – current as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets & liabilities.

Further, the Company follows prudential norms for Income Recognition and provisioning for non-performing assets as prescribed by the Reserve Bank of India for Non-Banking Financial Companies.

B. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statement are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

C. Revenue Recognition :

1. General

The Company recognizes income on accrual basis. However where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty. Incidental finance charges/Additional Interest are treated to accrue on realization due to uncertainty and are accounted accordingly.

2. Income from Loan

Interest income is accrued over the period of the loan. However, where a loan is classified as a non-performing asset, interest thereon is recognized only when it is actually received. The same is as per the prudential norms prescribed by RBI, to the extent applicable to the Company as a NBFC and guidelines framed by the management.

3. Income from Portfolio purchase

Income from portfolio purchase is accounted on accrual basis of accounting at the end of every month to the extent of certainty in ultimate collection of the revenue.

4. Income from Investments

- a) Dividend from investment is accounted for as income when the right to receive dividend is established.
- b) Interest income is accounted on accrual basis.

D. Employee benefits:

a. Short term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as related service is rendered by employee.

b. Post employment benefits

(i) Defined Benefit Plan

Gratuity - Company's liabilities towards gratuity is determined on actuarial basis using the projected unit credit method, which consider each period of service as giving rise to an additional unit of benefit and measures each unit separately to build up the final obligation. Past services are recognized on straight-line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognized immediately in the Statement of Profit and Loss Account as income or expense. Obligation is measured at the present value of estimated future cash flow using a discount rate that is determined by reference to market yields at the Balance Sheet date on government bonds, where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation. The gratuity provision made by the company on the basis of actuarial valuation. The same has not been funded by the Company during the year.

Leave Encashment -Privilege leave entitlements are recognised as a liability, in the calendar year of rendering of service, as per the rules of the Company. Accumulated leave can be availed and/or encashed at any time during the tenure of employment after completion of 2 years of continuous service. Provision for Company's liabilities towards Leave Encashment is determined on actuarial basis. The same has not been funded by the Company.

E. Provisions for Standard/Non-Performing Assets and Doubtful Debts

The Company provides an allowance for loan receivables based on the prudential norms issued by the RBI relating to income recognition, asset classification and provisioning for non-performing assets. In addition the Company provides for Standard Assets as required by the directions issued by the RBI.

F. Borrowing Costs

The Company capitalizes borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset as part of the cost of that asset. Other borrowing costs and ancillary charges are recognized as an expense in the period in which it is incurred.

G. Fixed Assets :

Fixed assets are stated at cost of acquisition (including incidental expenses), less accumulated depreciation.

H. Depreciation :

Depreciation on tangible fixed assets has been provided on straight line method (SLM) as per the useful life prescribed in Schedule II to the Companies Act, 2013 except that individual items of assets costing upto ₹ 5,000 are fully depreciated in the year of acquisition.

I. Impairment of Assets

The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment. The reversal of impairment is recognised in statement of profit and loss account, unless the same is carried at revalued amount and treated as revaluation reserve.

J. Investments :

In terms of Non-Banking Financial Companies Prudential Norms (Reserve Bank) Directions, 1998, Investments held as long-term investments are stated at cost comprising of acquisition and incidental expenses less permanent diminution in value, if any. Investments other than long-term investments are classified as current investments and valued at cost or fair value whichever is less.

K. Loans

Loans are stated at the amount advanced including finance charges accrued and expenses recoverable, as reduced by the amounts received up to the balance sheet date and loans securitised.

L. Taxation

1. Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income Tax Act, 1961.

2. Deferred tax resulting from timing difference between book profits and taxable profits are accounted for to the extent deferred tax liabilities are expected to crystallize with reasonable certainty. However, in case of deferred tax assets (representing unabsorbed depreciation or carried forward losses) are recognized, if any only if there is virtual certainty that there would be adequate future taxable income against which such deferred tax assets can be realized. Deferred tax is recognized on adjustments to revenue reserves to the extent the adjustments are allowable as deductions in determination of taxable income and they would reverse out in future periods.

3. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

M. Earnings per Share

The earnings considered in ascertaining the Company's EPS comprise of the net profit after tax, as per Accounting Standard 20 on "Earnings Per Share", issued by the Institute of Chartered Accountants of India. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the period. The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless the effect of the potential dilutive equity shares is anti-dilutive.

N. Provisions and contingent liability

Provisions are recognized when the Company has a present obligation as a result of past events, it is more likely than not that an outflow of resources will be required to settle the obligation and the amount has been reliably estimated. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.
